

Stone Bridge Middle School
Discovering True North

September 20, 2010

Dear SBMS Parents,

The year is off to a terrific start! The energy and enthusiasm of our students has made our building come alive. We are so proud to be a part of this school and to work with such wonderful students, caring parents and talented teachers.

We wanted to touch base with you regarding two important topics. As you may already know, ***Back-to-School Night*** will be this Thursday, September 23rd at 7:00 p.m. We will all gather in the auditorium at the start of the evening and then move to classrooms. We always enjoy this night, because it is such an important component to a **successful year**. We truly look forward to seeing you all there!

We also wanted to share our thoughts regarding students walking to and from school. As a school, we strongly discourage students walking, because of the lack of sidewalks on Yardville-Allentown Road. However, we do realize and respect your right as parents to make these types of decisions for your children. Therefore, if you choose to have your child walk home from school, they must have a note from you that indicates your knowledge of and permission to walk home from school. If a student does not have a note, they will have to call you from our main office and wait to be picked up. Again, we are hopeful that students won't walk home, but understand that you hold the keys to this decision.

If you have any questions about Back-to-School Night or about students walking, please feel free to call either one of us.

We look forward to the best year ever for our SBMS students.

Our best,

Mark Guterl
Principal
